NEWS BOX
Petrol, diesel price on 14th August 2018: Check out rates in metro cities

New Delhi: Petrol and Diesel prices were unchanged in four metro cities after two days of pause, applicable from 6:00 a.m. on 14th August 2018. On Monday, Petrol prices were cut by 9 paise in Delhi, Chennai and Mumbai. In Kolkata petrol prices were hiked by 8 paise. Diesel prices were cut by 5 paise in all the metro cities of Delhi, Kolkata, Chennai and Mumbai. Retail selling prices have been firming up since July 30 as international rates inched up. Rates have risen by Rs 0.90 a litre in case of petrol in nine days while diesel prices have risen by Rs 0.88 per litre. State-owned oil firms had in mid-June last year dumped 15-year practice of revising rates on 1st and 16th of every month in favour of daily price revisions. Oil prices rose on Tuesday after a report from OPEC confirmed that top exporter Saudi Arabia had cut production to avert looming oversupply. Front-month Brent crude oil futures were at \$72.87 per barrel at 0111 GMT, up 26 cents, or 0.4 percent, from their last close. US West Texas Intermediate (WTI) crude futures were up 32 cents, or 0.5 percent, at \$67.52 per barrel, according to a report by news agency Reuters.

Rupee hits record low, breaches 70 level against dollar

New Delhi: The rupee breached 70 per dollar mark in late morning trade on Tuesday amid fears that economic crisis in Turkey could spread to other global economies. At the interbank foreign exchange market, the rupee was trading higher by 0.21 percent at 70.07 against US dollar at 10.37 am. In the opening trade rupee had recovered from all-time low of 69.91 and strengthened by 23 paise to 69.68 against the US dollar. Panic and capitulation overshadowed trading mood as traders and speculators saw no signs that monetary authorities would step into the foreign exchange market to support the domestic unit. Yesterday, the Indian currency crashed by a mammoth 110 paise -- its biggest single-day fall in five years -- to end at a lifetime low of 69.93 as the US dollar gained rapid strength. This was the biggest single day fall for the rupee in the past five years. Previously, the rupee had dropped 2.4 per cent or 148 paise in a single day in August 2013. The Turkish Lira has lost more than 40 percent against the dollar this year, largely due to worries about President Tayyip Erdogan's influence over the economy, his repeated calls for lower interest rates, and worsening ties with the United States, a Reuters report has said. The currency pulled back from a record low of 7.24 to the dollar on Monday after the central bank pledged to provide liquidity, but it remained under selling pressure and its meltdown caused further unease on global markets.
